## Got Sage-grouse? Need Habitat?

Sustaining sage-grouse habitat is critical for their survival. For information or assistance to develop a project, contact:

**Dave Olsen**, Utah Division of Wildlife Resources, 1594 West N. Temple, PO Box 146301, Salt Lake City, Utah 84114-6301;  
[davewolsen@utah.gov](mailto:davewolsen@utah.gov)

**Jason Robinson**, Utah Division of Wildlife Resources (same address as above); [jasonrobinson@utah.gov](mailto:jasonrobinson@utah.gov)

---

Interested in sage-grouse habitat projects on private land? These biologists (listed below) work jointly with the Division of Wildlife Resources and the Natural Resources Conservation Service, and can help design and implement sage-grouse habitat work. Funding is also available for habitat improvement projects on private lands.
